

Public Health Nurse Supervisor
Career Opportunity
Stearns County Human Services
Public Health Division

The County

Stearns County is a thriving Central Minnesota community home to 30 cities and 34 Townships with St. Cloud as the County Seat. With a population of 150,642 that is a blend of urban and rural, Stearns County is the 7th most populous county in the state. It boasts a number of parks and recreational opportunities. Located near the middle of the state, it affords access to many other Minnesota recreational and entertainment opportunities.

The Department

The Public Health Division is part of the Human Services Department; a combined department of Social Services, Community Corrections and Public Health. With more than 300 staff serving the community, the department boasts of a Health Equity Committee, a Mission/Vision/Values Committee and a Labor Management Committee, all focused on working collaboratively to make this a great county to live, work and play in.

The Division

The Public Health Division is known as one of the leading health departments in the state, recognized for its innovation and high quality of services. Our team is made up of professionals who excel in their respective specialties. The division has initiated the journey to public health accreditation and is committed to cross-divisional and cross-jurisdictional work in a number of program areas.

The Position

This position is responsible for the oversight of both the Nurse Family Partnership and our accredited Healthy Families America programs. Stearns County is seeking a public health nurse leader that is skilled in collaboration, innovation and evidence-based practice. Understanding data and how that drives practice towards improvement is a critical skill for success for these programs and this position.

Full Salary Range: \$73,753 - \$108,247/annually

Sign On Bonus: \$2500; additional bonus of \$2,500 after six months and \$2,500 after one year.
